

### FEATURES

#### Security Features

Microprocessor Controlled Main Unit  
 123dB Soft Chirp Siren  
 Starter Interrupt Relay Included  
 Selectable Starter Interrupt (NO/NC)  
 Valet/Disarm Switch  
 LED Status Indicator  
 Superregenerative Receiver  
 Code Learning (Up to Four  
 Independant Remote Controls)  
 Hood/Trunk Trigger Input  
 Door Trigger Input  
 Ignition Trigger Input  
 Optional Sensor Input  
 Dual Stage Impact Sensor Included  
 Dual Stage Digital Radar Sensor Ready  
 Selectable Ignition Controlled Door &  
 Unlock  
 Keyless Entry In Valet

#### Convenience Features

LCD Display Module with Clock,  
 Security Information, Battery Voltage  
 Display, Feature Programming  
 Mobile Mayday™ System Integration  
 Compatible  
 Audio Control Output Capability  
 Full Featured Two Car Operation  
 Silent Arm (Capable)  
 Alarm Silencing Through Remote  
 Control  
 Silent Alarming (Capable)  
 Scan Mode (Capable)  
 EXT Trunk Sensor Cancel  
 3 EXT Outputs  
 4 EXT Outputs  
 12 EXT Outputs (with optional SEC-  
 8343)  
 EXT Timer Function  
 Programmable EXT Outputs (Pulsed,  
 Continuous, Latched)  
 Remote Starter Compensation  
 Dome Light Surveillance Output  
 On-Board Light Flash Relay  
 Priority Door Unlock Output  
 Door Lock / Unlock Outputs  
 Faulty Sensor Bypass  
 Tripped Sensor Warning  
 Tripped Sensor Indication  
 Last Sensor Recall  
 Sensor Cancel  
 Digital Pager Data Output  
 Pre-warning Output  
 Alarming Output  
 Armed Output

#### Remote Control Features

Two Remote Controls Included  
 5-Button Remote Control (SEC-8463)  
 Alpine Random Code Technology  
 Surface Acoustic Wave (SAW)  
 Technology  
 Full Time Panic  
 Protected Valet  
 Keyless Entry In Valet  
 Silent Arm (Selectable)  
 Radar & Impact Sensor Adjustment

### SPECIFICATIONS

#### Security System Main Unit

Operating Voltage..... 12V DC (10—16V allowable/negative ground)  
 Operating Temperature.....-30° to 60° C (-22° to 140° F)  
 Idle Current (Armed).....  
 Idle Current (Disarmed).....  
 Siren Sound Pressure Level ..... 123dB at 12V DC  
 Siren Output (Positive) ..... 1.5A  
 Parking Light Output (Selectable) ..... 10A  
 Door Lock/Unlock (Negative) ..... 200mA  
 Priority Door Unlock Output (Negative)..... 200mA  
 Starter Interrupt (Positive) ..... 200mA  
 LED Output (3V Positive) ..... 200mA  
 Pager Output (Digital) ..... 200mA  
 Dome Light Surveillance Output (Negative)..... 200mA  
 Armed Output (Negative)..... 200mA  
 EXT 1 Output (1 Second or Latched [Negative])..... 200mA  
 EXT 2 Output (1 Second or Latched [Negative])..... 200mA  
 EXT 3 Output (Continuous or 1 Second [Negative]) ..... 200mA  
 EXT 4 Output (Continuous or 1 Second [Negative]) .....

#### Remote Control

Model Number.....SEC-8463  
 Battery.....One-3V Lithium "CR 2025"  
 Remote Control Range ..... 100ft (Typical)
